COMPANY PROFILE

Scope Ingredients, formally known as Kwarlal Excipients was formed in 1959 by Chairman and Promoter, Mr. Vijaylal Kwarlal Jain. The company was founded with the ambition of providing single window excipients solutions.

With over 400 world class products, our portfolio covers the entire spectrum of nutraceutical, food, personal care, and pharmaceutical applications. We offer range of thickeners, fibers, proteins, sweeteners and other traditional & speciality ingredients. In addition, we offer several co-processed and functional excipients for new development areas like ODT, MUPS, MADG, etc.

We assure our clients of viable solutions to each of their needs and a product for every application. We function as a “One Stop Shop” for all needs.

CHAIRMAN'S MESSAGE

As we turn a new leaf, Scope is driven by this simple philosophy which reflects in the way we approach business and clients. Our responsibility begins with our clients first. We go to great detail to procure genuine ingredients from renowned companies which passes through stringent quality tests; transparent transactions, backed by a professional sales force, ensuring that all business requirements are dealt timely to facilitate one's production schedule.

We strongly believe that good business ethics go a long way in contributing towards the betterment of the society we live in. In addition, as part of the Corporate Social Responsibility, we also plan to initiate activities to support and enhance the lifestyle of the public in large.
